FORESTERS

CONTINUING EDUCATION

Foresters may earn a maximum of 9.0 hours in Category I-CF by attending all six classes offered in the continuing education tent (6 hours), and the field presentations *Using Free Smart Phone Apps for Forestry* (1.5 hours) and *Southern Pine Beetle* (1.5 hours). Friday's presentations will be repeated on Saturday, September 22; however, additional credit may not be earned by attending the same class more than once.

A sign-in sheet will be provided for foresters needing the hours for SAF Certification. For the Mississippi Board of Registration for Foresters, all presentations count as Category A hours.*

* For more information on continuing education credit requirements, please contact the following in Mississippi:

LOGGERS

CONTINUING EDUCATION

Loggers are offered 11 hours of CE credit in Category 1 by attending a 4-County Power Line Demonstration (1 hour), each of the six classes offered in the continuing education tent (6 hours total), *Using Free Smart Phone Apps for Forestry* (2 hours) and *Southern Pine Beetle* (2 hours). Up to six hours of Category II credit may be obtained by attending the show (3 hours for each day).*

The Mississippi Loggers Association Awards Banquet will be held Friday, September 21 at 6:00 pm at the show site.

For more information:

LOGGER'S DREAM

Greeting visitors at the entrance to the Mid-South Forestry Equipment Show is a 1948 Logger's Dream loader. Serving as the show mascot, the Logger's Dream was originally owned and operated by Mr. J.D. Massey of Starkville. The Massey family contributed the loader to the Equipment Show in 2005. In 2014, the original manufacturer of the Logger's Dream, Taylor Machine Works of Louisville, MS, restored the loader. Be sure to check out this historical treasure as you enter the show.

LANDOWNERS

EDUCATIONAL OPPORTUNITIES

Topics have been included in the continuing education program for the show which address specific issues of interest to private, non-industrial landowners. Landowners may attend all of the logger and forester presentations.

CHILDREN

FUN ACTIVITIES

This year's activities for children include an expansive activity area located in the static area. Some of the activities planned include the Little Folks Skidder Contest, the Truck Stop, the Sand Box, the Moon Walk, a Log Rolling Contest, and the Truck Table. Another activity will be the Sawdust Pile of Prizes. This event will give the children the opportunity to dig for approximately 30 seconds for cash and prizes buried in the saw dust pile. The scheduled times for this event are:
